The Old Bill's Famous Italian Buffet

Due the popularity of Italian Buffets provided by The Old Bill Team in recent years, we have included this as an option for our function suite. The simple menu below describes what we can provide for any occasion, party or celebration.

With the Italian Buffet one or several main course options can be selected dependant on preference and budget, as an increase in main course options will incur an increase in price. Extras can also be added to supplement main dishes, also for an extra cost.

We at The Old Bill are more that willing to discuss specific requirements. Do not hesitate to contact one of the team for more information.
